Editor of "Eye-Opener" Charged with  
Publishing Obscene Literature

### RELEASED ON \$1,000 BAIL

Winnipeg People Have Viewed With Dis-  
favor Publication of the Paper  
in That City

Winnipeg, March 26.—Robert C. Edwards, editor and proprietor of the paper which he has carried all over Canada, was arrested Thursday night on a charge of publishing obscene literature and was later released on bail of \$1,000. Edwards, whose publication is known as "The Eye Opener," has been treading upon legal quicks for some time, but succeeded in keeping out of trouble with the police until Thursday night.

Edwards' coming to Winnipeg with his sheet, after having been run out of Calgary, and refused to right to publish by Toronto, and having received a removal notice from Port Arthur, was viewed with general disfavor, but his connection with the paper have been so cleverly veiled that it was previously impossible to cause his arrest with any certainty of being able to prove the charge.

## TESTS BEING MADE ON FOUNDATIONS

C.P.R. Engineers Make Another Ex-  
periment in Connection With  
High Level Bridge

Another advance was made on Friday morning in the preparation for the construction of the C.P.R. high level bridge, forty feet in length, which was driven down by machinery thirty-ton weights will be placed on the top ends to determine if there is any tendency to settle. If, after due lapse of time, there is no significant settling of the timbers, it may be concluded that the foundation has sufficient strength to hold up the piers and their load.

It is now understood that the recent several test drills made in the river bed by a boring outfit were under the supervision of C.P.R. officials and while it is not known locally what depth was reached before suitable foundation strata were struck, the statement comes from headquarters that the tests were satisfactory. Wm. Pearce of Strathcona is in charge of the work.

Part of East Edmonton District Will be  
Attached to Strathcona School

Arrangements are now being made to change the boundaries of the school districts in East Edmonton and Strathcona. As it is at present a number of children from East Edmonton district attend the Strathcona school while the taxes from the district in which they live go to the East Edmonton school. By the proposed arrangement the district east of Mill creek from which the children are now going to the Strathcona school will be included in the Strathcona school district. This will overcome the difficulty of the maintenance of that school. A joint denunciation from the two districts will be held to approve the change and in the meantime an investigation made to see that sufficient acreage will be left to provide for the maintenance of that school. A joint denunciation from the two districts waited upon the deputy minister of education on Thursday afternoon and was assured that any arrangement which could be agreed upon by those directly interested would be sanctioned by the department.

Six weeks ago just as the legislature assembled in Edmonton, Mr. Genge was taken to the Leithbridge Hospital to have an operation performed. On the journey he became seriously ill at Red Deer and was compelled to enter the hospital, where he remained until his untimely death last evening.

Prominent Railway Contractors Were  
in the City Today.

### NO TIME BEING WASTED

Construction Work Will all be Got Under  
Way During the Next  
Week

Mr. Shirley, senior member of the firm of Phelan and Shirley and Foy, sub-contractors, all from Omaha, are in the city today. They have come in advance of the large grading outfit which were shipped from South Dakota on March 23rd, and are due to arrive in the city this afternoon.

Others are shortly to follow. In a few days the Bigges and Clements of Omaha will arrive with another large outfit, and Contractor Burke, also of Omaha, will be another arrival by the latter part of the week.

These contractors with their army of railroad builders are heading for that portion of the G.T.P. west of Macleod where Phelan and Shirley have the contract for 80 miles of grading to be done this year. The outfit will be stalled in the city for a few days awaiting the ballasting of the road through to Wolf Creek. Until transportation can be secured the outfit consisting of horses, mules, graders and supplies will be camped somewhere in the vicinity of the packing plant.

## Work Soon Under Way.

By this week most of the contractors' outfits will have gone through and will be at work throwing up the grade as fast as the manœuvres of the men and mules will permit.

"All the G.T.P. and C.P.R. contracts are now let," said John Timothy this morning. "The contractors have been working before them all through the West and will lose no time getting to work."

"When will the C.N.R. contracts be let?"

"R. J. McKenzie is out of the country at present, but when he returns all the C.N.R. contracts will be closed," replied Mr. Timothy. "The profiles of the new lines to be built have not yet been prepared, but all will be ready to go ahead in two weeks' time."

Mr. Timothy believes that the West will have an era of railroad building this year such as has never been seen before.

## RIVER OF LAVA FROM VOLCANO

Mount Aetna in Eruption Causes Ter-  
ror and Destruction

### VILLAGES ARE DESTROYED

In Frequent Explosions Great Masses of  
Red Hot Stones are Thrown out  
Over the Plain.

Catania, March 26.—A huge stream of molten lava is slowly moving down from Mount Aetna towards the surrounding plain carrying with it destruction and terror. Terrific explosions are heard and are followed by a hail of red-hot stones. A dense fog covers a district one hundred miles square. New crevices are opening everywhere along the slopes of the mountains and stones that were ejected red hot from the volcano are piled three feet deep in the villages of Nicolosi and Borello.

A peasant of Nicolosi tells of how he saw the eruption begin.

"I was in the valley of Gerolamo, when I felt the earth shake. I was defended by the terrible explosion, and covered by a rain of ashes. I fled from the volcano like a mad man. When I recovered by self possession, I turned and saw the lava coming down in great masses toward the plain."

## Great River of Lava.

The streams from the four craters are now merging into one great river which has covered nearly five miles in the past two hours. Last night its speed had decreased to some 70 square yards an hour.

The population of Catania has fled to a man as lava has already destroyed all the outlying houses. A religious procession that was carrying sacred images through Nicolosi and chanting prayers for divine help was forced to flee before the advancing lava. The whole procession narrowly escaped being engulfed by the flood.

## Sight Is Awe-Inspiring.

Viewed today from the top of a hill near Nicolosi, the sight was extraordinarily impressive. The hills of molten lava were slowly moving forward, their lines being like those of great ramparts, broken through every now and then by burning cascades of fire. From the hill one could see about fifteen miles of blazing lava. The air was full of blazing fragments illuminated dust and hot cinders, which rained down almost ceaselessly. Two fresh craters, making six in all, have formed on the lower slope near Borello, and the lava gushing forth from the volcano is more fluid than usual, and gives forth enormous heat. It is calculated that the output of molten matter is at least nine million cubic meters. The four converging streams have created a sea of fire over ten miles in area.

## TWELVE PERISHED IN CHICAGO FIRE

Crowds Stood on the Streets and  
Watched Vain Efforts of  
Firemen

Chicago, March 26.—Trapped on the sixth story of a burning building, occupied by the L. Fish Furniture Company, at 1006-1008 LaSalle avenue, eight young girls and women and four men died yesterday before the eyes of thousands of people who crowded the streets below but who were unable to lift a hand to save them. Men and women spectators saw them tottering and falling as they breathed in the flames and smoke which enshrouded them.

One of the most tragic deaths was that of Ethel Liechtenstein, an 18-year-old girl. Members of the fire department struggled in vain to raise an old-fashioned extension ladder to the sixth floor, where the girls' white faces could be seen at intervals when the smoke clouds lifted. The ladder was unwieldy and became entangled in guy wires which supported a high sign hanging in front of the building. The girls' clothing was ablaze and her cries for help rang shrilly above the roar of the fire engines and trumpet calls of the firemen.

Of the others who perished none jumped to their death. They died in the flames and smoke inside the building and their bodies were carried down with tons of rubbish and burning debris, when the floors started falling. Eleven bodies were taken from the ruins by firemen, after the fire had burned itself out. They were so badly burned that identification by relatives and friends was only possible through bits of clothing, jewellery or gold fillings in their teeth.

Fielding has notified Sir Wilfrid Laurier that a happy outcome of the negotiations may be looked for. It is expected that Mr. Fielding will make concessions on several articles which enjoy intermediate tariff under the Franco-Canadian trade treaty.

## Britain Is Helpless.

London, March 26.—The Morning Post, referring to the belief that Taft on Thursday intimated to Ambassador Bryce that Britain should bring pressure upon Canada, sarcastically recalls the offer of "good offices" of the Imperial government which Sir John Seeley stated was at Canada's disposal, and says: "How much good offices were worth is now painfully apparent." It points out that if Great Britain had the power of retaliation, a whisper from Bryce would have settled the whole business before it had ever started. "Liberal Imperialism that championed free trade is now helpless to strike a blow for either cause," concludes the Post.

## Two Ministers There.

Washington, March 26.—The final offer of tariff concessions by Canada to the United States will be made to President Taft today by Hon. W. S. Fielding, minister of finance, and Geo. P. Graham, minister of railways, who reported at Washington yesterday as the emissaries of the Canadian government.

The visit of Mr. Fielding and Mr. Graham to Washington is the outcome of the conference held between the former and President Taft at Albany last Sunday. ## WEARERS OF THE GREEN ORGANIZE

An Enthusiastic Meeting Was Held in Alberta Hotel—New Club Will be Known as Irish-Canadian Baseball Club

The organization meeting of the baseball club that is to play under the auspices of the Irish Canadian Amateur Athletic club was held Thursday evening in the Alberta Hotel with a large and enthusiastic attendance. There were over twenty present, including members of the I. C. A. C. who have promised the team their hearty support, and some of the best known athletes of the city.

Jos. Driscoll and Lloyd Bishop were named president and secretary pro tem and the meeting got down to business.

Mr. Driscoll assured those present that the I. C. A. C. was pleased to have a club in the city baseball league and though some of the members were a little rusty on baseball dope, they would all get busy and get posted on the fine points of the game so they could follow the team on its victorious career.

Mr. Bishop informed the meeting that twenty-seven men had already signed their names to contracts and prospects were bright for the coming season.

After some discussion as to the name of the club during which "Shamrocks" and "Irish Canadians" was suggested it was decided by vote to play under the latter name. The question of colors was left to a committee to decide.

Jack O'Grady who is a good Irishman, has promised to coach the pitchers of the new club and this announcement was received with applause.

The election of officers then took place and resulted as follows:  
Hon. President—J. D. McCollough.  
Patrons—A. F. Ewing, W. H. McKenney, M. P. P. Ald. Armstrong, Messrs. G. H. O'Connor, J. H. Morris, Chas. May, and G. Dyer.  
Hon. Vice-president—Pat Dunne.  
President—J. D. Driscoll.  
Vice-president—Jos. A. Clarke.  
Secretary—Treasurer—Lloyd Bishop.

Manager—Hugh McGill.  
Delegates to the city league meeting—Messrs. Drayton and McGill.  
Committee on grounds and uniforms—Messrs. Drayton, Bishop and Gosnell.

A hearty vote of thanks was passed to Proprietor Rookes for the room in the Alberta which he so kindly placed at the disposal of the club for the meeting.

## NORTHERN ALBERTA LEAGUE MEETS

The Association Football Governing Body for the North Met Yesterday—Lloydminster Suspended

A meeting of the Northern Alberta Association Football League was held in the Y. M. C. A. yesterday morning with all the city league teams represented. There were no delegates from out of town.

During the course of the meeting the final Lloydminster-Calgarian game in the former city was referred to, and it appears the locals never received their expenses from the Lloydminster team. The referee's expenses are also still unpaid. The delegates were asked by the association to remedy this matter at once, and in the meantime are suspended.

Two delegates, Wm. Pirie and J. W. Ward were selected to attend the meeting of the provincial association on Monday in Calgary.

They were instructed to endeavor to have the territory governed by the Northern League made more limited. At present, the district extends from Crossfield to Lloydminster, and if the delegates think they can make it smaller without weakening it, they are at liberty to do so.

## CITY BASEBALL LEAGUE MEET

A meeting of the league will be held for Thursday evening, next, March 31. It will likely be held in the Y. M. C. A. and all the old clubs and any intending to make application for entrance are requested to have two delegates in attendance.

## TOMMY BURNS IS SOCIETY'S PET

The Former Champion of the World is a Big Man in the Antipodes—Is Very Wealthy

Denver, Col., March 20.—Being ex-champion heavyweight boxer of the world is a profitable thing, if Tommy Burns' experience is a good criterion. The pudgy little Canadian, according to Hugh D. McIntosh, who promoted the Burns-Johnson fight, acquired \$250,000 for his services in the ring and on the stage for a period of four months. Tommy is living off the fat of the land in the Antipodes, and he is having a hard time getting in fighting trim for Bill Lang, champion of Australia, whom he meets March 26. In a letter to Otto Floet, McIntosh says:

Tommy Burns has signed to meet Lang on the 26th of March, Easter Monday. Lang is a vastly improved fighter, and as Tommy at the present time is 145 lbs., weight, he will require to be at the best to deliver the goods. He has made a lot of money since he has been here, and in four months I paid him about \$250,000. Immediately after his defeat he went on a theatrical tour with a leading theatrical man here and received \$1,250 per week for twelve weeks, and since then he has averaged \$500 a week. He is held in very high regard and mixes with the best society."

## LACROSSE TEAM HAD WORK-OUT

About Fifteen Players Were in Uniform and Prospects Look Bright for the Coming Season

There was a number of lacrosse enthusiasts at Diamond Park yesterday afternoon and a busy afternoon was put in. The players, as one expects, showed lack of condition but are there with the stick handling. Lady Taylor was out in uniform and showed up like a cracker-jack. Vaughn, of last year's team also made a very good impression. Those in uniform were: Smart, Snellie, Waugh, Stevens, Lady Taylor, Powers, Dea, Allan and Anse Young.

## GREAT DAY FOR Y.M.C.A.

Yesterday was certainly a red-letter day in the history of the Y. M. C. A. In the afternoon the association football team defeated North Edmonton by 3 to 1 and at the same time the "Y" bowlers were taking the Olympics into camp to the extent of three straight games. In the evening, however, continued their victorious career by winning two out of three from their Calgary brethren, and the senior basketball team inflicted a crushing defeat on the Cowpunchers, the score being 46 to 26.

The latter issue will probably settle the question of the superiority of the Edmonton and Calgary basketball teams.

## OTTAWA CLUB LOSES \$200.

Ottawa, March 25.—It is now stated authentically that the Ottawa hockey club will finish the season with a deficit of about \$200. It was believed that there would be a surplus, but the refund on tickets not used will wipe it out and leave the club in arrears. All accounts have, of course, been met, the players' salaries totaling about \$800.

## LADIES ELECT OFFICERS

A meeting of the ladies section of the Edmonton golf club was held on Thursday afternoon in Dr. Cobbett's office. There was a large attendance and prospects are bright for a successful season.

The following committee was elected to work in conjunction with the Edmonton golf club. Convenor, Mrs. Braithwaite; secretary, Mrs. Ferris; committee, Mrs. Bowker, Mrs. Rolph and Mrs. Cobbett.

An exchange says that the "Frisco" papers are not sure whether the English nobleman's moniker is Roseberry or Raspberry. The whole story sounds well worthy of a theatrical press agent.

## CHAN. LIKES OUR TEAM

Writing in the Albanian he Says the Following Nice Things About Deacon's Club

If Deacon has succeeded in landing Pete Morse, the man who Bill Clarke has been figuring on for \$5, he has made no mistake, for Pete is the makings of a great player. Young and husky, with experience to back him up, Deacon will get good results from this player. Peters' only bad habit is pulling away from the plate while batting, a habit he never acquired at the dinner table, and if Deacon can break him of this Pete will keep some of the pitchers guessing. Still Pete as he is, is some better.

In Lee Samuels he has a pitcher with a world of speed, and the experience to go with it. Samuels' main fault while in the Northwestern league was weakening in the latter part of the game, but for seven innings he was always a hard man to get to.

McClair, I look to see one of the star left handers of the league, once he gets control he will be a hard man to beat.

As to Brexure's pitching we cannot get much of a line on him till we see him work. In 1907 Deacon played in the outfield for his hitting, and there was nothing slow about the way he clouted them along the third base line. Even should he fall down in pitching Deacon could use him quite handsily in the outfield.

Deacon surely has a classy bunch to pick from and when the going rings, there is no doubt that he will have a fast team and one that will be in the race all the time.

With Deacon White at the helm, Edmonton is bound to have a banner year in baseball, and with Victor in charge of their rooting club, the fans are sure to have plenty of noise, for Vic can make more noise at a ball game, than a dozen ordinary men. Vic is a fair minded rooster, and although pretty noisy at times is a good man for the job.

## CALLIES HAD PRACTICE

The Caledonian Football team, champions of the city league last year, had their practice at Diamond Park yesterday morning on the Second street grounds. A lot of the old favorites were on hand and showed that the Scotsmen will be as good this year as last. It is not long since the all the slogan "Callie's Ship" will be heard over the stillness of the summer night.

## JUDGE GETS THE DECISION

Has Johnson Groggy and Nearly Puts Him Down for Count—Ball was Increased

New York, March 25.—Jack Johnson, world's champion heavyweight pugilist, put up a losing fight in general sessions court here yesterday. Appearing to answer the charge of a fellow-member of the African race, Norman Pinder, who accuses Johnson of a serious assault, the big pugilist found himself the object of the court's displeasure because the complainant against him failed to appear.

Judge Mulqueen declared that the non-appearance of Pinder and the other witnesses in the case convinced him that the court was being trifled with, and forthwith raised Johnson's bail from \$1,000 to \$5,000, committing him to the Tombs until he raised the larger amount. Johnson at first smilingly, then almost tearfully, personally pleaded his case to the court. "Please don't make it too much, judge," anxiously pleaded the big heavyweight. "I have only \$3,000 in my pocket."

Although he declared that he had not trifled with the court and knew nothing about the disappearance of any witnesses in the case, Johnson could not move the judge, who ordered Johnson removed, causing bench warrants to be issued for Pinder and the other witnesses, and announced that as soon as they were found the case would be put on trial.

## CALGARY BASKET-BALLERS DEFEATED

Locals Take the Visitors Into Camp by Score of 46 to 26—Half Time Score 19 to 8.

The basketball game, Edmonton vs. Calgary, resulted in an easy victory for the locals by a score of 46 to 26. At no time were the visitors really dangerous, and the locals outplayed them at every point of the game. The score at half-time was 19 to 8 and in the second half, Edmonton counted 27 to the visitors' 18. Work was the best of the Calgary team, being the possessor of a splendid shot, while Seymour and Cullen were responsible for the majority of the Edmonton baskets. Norman Clarke, on the defence, played a good game.

The game was witnessed by a large crowd and the rooting of the Calgary bowlers added interest to the match. The teams were:

Edmonton (46)	Calgary (26)
Centre	Pegler
Defence	Defence
Ash	Clarke

## MORRELL WILL PLAY HERE

Manager Brown Has the Outfielder's Contract and Will Farm Him to Locals—Players Report Ap. 15

In spite of all reports to the contrary it looks as if Morrell will play in Edmonton this season. Deacon White received a letter from Manager Brown of Vancouver, on Thursday, saying that the fleet-footed outfielder has signed a Vancouver contract. This means that he will be playing ball this season and Manager Brown will have him to offer to the locals.

Vancouver has 33 men signed up and will have lots of surplus players to farm out and Edmonton will get the pick of the bunch. All Deacon has to do, is to write telling what he wants and a good man will be sent along. Vancouver has secured a catcher and will not need Burridge, so it is not likely Harry will come west this season at all. He is holding out for more money than Edmonton can afford to pay, so Deacon will likely try to sell him.

Manager Brown also says he can let us have Catcher Flanagan, who hit .240 on the Coast last year. With Copland as the regular receiver, Flanagan would fit in well as an alternate.

Whit's signed contract has been received and the whole line-up is assured with the exception of Riley. This young phenom is in great demand but Jack Gray says he will be seen in an Edmonton suit, and Jack and Riley come from the same town. The new uniforms will have a blue stripe as all the original cloth that Deacon intended purchasing, has been exhausted by the Chicago firm.

Deacon will send out transportation on the second of April and the players will be ordered to report on April 15th. Team work will be indulged in at Diamond Park, and during the week before the opening of the Western Canada League, games will be played here every day. Charlie Crist's "rolls" will all be ordered to report on April 15th, and Deacon is arranging games with other teams in the province.

## Wrestled Over Two Hours

Kansas City, March 25.—After Dr. Benjamin F. Roller, the Seattle wrestler, and Zybyesco, the Pole, had wrestled here last night for two hours and seventeen minutes without a fall, the match was stopped by the police.

## McFarland and Welch Matched

London, March 25.—Paddy McFarland, the Chicago lightweight, and Fred Welch, the lightweight champion of England, have been matched for a twenty-round fight before the National Sporting Club. The fight will take place May 30, for a purse of \$7,500 and \$1,000 side bets.

## "Y" WINS FIRST SOCCER GAME

Defeated North Edmonton Eleven by Score of 3-1 in Exhibition Match Yesterday

In the first soccer match of the season played on the North Edmonton athletic field yesterday afternoon the Y. M. C. A. defeated the North Edmonton team by a score of 3 to 1.

Both teams showed lack of practice and condition, but even at that there was something pretty play. The score at the half was one to zero for the "Y," but within three minutes of the start of play in the second period, the North boys slipped one past Pye, and for a while looked as though they were going to pull out ahead. They faded away, however, and the "Y" forwards found their opponents' goal twice before the final whistle sounded.

Owing to the indefinite location of the field—it is out near the packing shed—a great many of those who started out to see the game, never got there at all.

The teams were as follows:

## NEW YORK WANTS HOCKEY STARS

Sensational Dispatch Says that Gotham Would Like to Corral Taylor, Small, Patricks and Lesner

Ottawa, March 25.—The Ottawa hockey club party returned yesterday morning from New York City. They say that the matches were hard fought, but that the smallness of the St. Nicholas rink prevented the team from playing with their usual brilliancy. It is said that a big syndicate has been formed in New York to promote a professional league down here next year, and that Taylor, the Patrick Brothers, Small and Lesner have agreed to play there. The usual yarn is also afloat about a big international league, but the Ottawas appear to put little faith in it.

While in New York the Ottawa officers inquired into the chances of getting an artificial ice plant for Ottawa. It is understood that the cost proved above their reach, it being estimated that it would take \$20,000 to install and operate the ammonia pipes for one year.

## REGINA WILL BE STRONG

Roxy Walters, manager of the Regina team, states that he will have a hummer of a team this season. The team reports at Wisconsin on April 18 and Roxy says he is in touch with all the Northwest League teams and has promise of good material. The team will arrive in Regina on May 8 and on their way there from Lacrosse, Wis., they will exhibition games at Winona, Eau Claire and Duluth.

## CALGARY BOWLERS WERE DEFEATED

Visitors Took the First Game but Edmonton Y.M.C.A. Won Last Two With Ease

The Y.M.C.A. bowlers got even tonight for the defeat that Calgary inflicted on them in the telegraphic bowling match. The first game went to the visitors by 62 pins, the score being 755 to 693. The locals then got into their stride and took the second and third with the greatest of ease. Miller, who was away off in the first game, knocked the cordwood in all directions in the second and third, getting 187 and 158. Blackett bowled consistently and had a mighty good day. His 278, compiled at the Olympic yesterday afternoon, has earned him a place in the temple of fame.

Grant was high single with 190. The scores were:

## HAS MILLIONS, PLAYS BASEBALL

Another Son of the Idle Rich Gets Trial With Phillies—His Dad Offers \$200 for Every Victory

Another millionaire's son will break into the big-league as a professional baseball player this season in Abe Rachlin, a Newark, N.J., boy, who was taken to Southern Pines for a try-out by the Philadelphia Nationals. While his family is not anxious to have him play the game for coin, they want to see him make good at anything he attempts. And he is stuck on baseball. It is said that his father has offered \$200 for every game he wins if he makes good. Rachlin is 20 years old and played in the Newark City league last season. He has lots of speed and good curves. Johnny Miller, the Pittsburgh second baseman, claims that Abe is a better hitter than he is, and says that if he doesn't make good as a pitcher he can play in the outfield. Rachlin will be the second millionaire on the team. Lew Moren's father has a barrel of mintage, and he gets \$200 every time he wins a game, so they say.

Nelson and Wolgast will Meet

St. Louis, March 25.—Replying to a telegram from Battling Nelson, from Minneapolis, asking for another match, Ad. Wolgast practically promised the Battler that he shall be the new champions' first adversary when he returns to the ring, after his theatrical tour. Tom Jones, Wolgast's manager, prefers Nelson to McFarland, Moran, or to Thompson, as a drawing card, and suggests September, at San Francisco, as a place for the two to meet.

**TRAGIC CAREER OF BEAUTIFUL WOMAN**

Countess Tarnowski on Trial in Venice is Charged With Complicity in Several Deaths

Venice, March 26.—The testimony of Countess Tarnowski in her trial for the murder of Count Komarowski has greatly stimulated the interest of the public in this remarkable case. Her replies to questions concerning her

neglect to warn Count Komarowski of his danger when she knew Dr. Naumoff was going to kill him have greatly prejudiced her case. Nevertheless, when the hearing began this morning the Countess was more collected than ever. She listened attentively to the reading of a number of letters addressed to her by Count Komarowski.

These letters expressed the deepest affection for the countess, but their reading made no more impression upon her than if they had been the most uninteresting business documents.

After the reading of the letters the prosecutor questioned the countess at length in regard to other tragedies for which her power of fascination is alleged to have been responsible. One of these was the killing of a lover by her first husband, Count Tarnowski.

The Countess who had eloped with Tarnowski when she was 17 quarrelled with him at her home in Kieff. In revenge she carried on an intrigue with one of the Count's friends and killed him in the presence of her husband, who shot him dead.

The Count was acquitted on his trial for murder and divorced the Countess in 1902. Her solicitor on this occasion was Priloff, a brilliant lawyer and a married man. After the trial he deserted his family and eloped with the Countess.

The prosecutor also recalled the suicide of a Russian officer named Stahl and the attempted suicide of the Countess's brother-in-law.

The Countess said emphatically that she was in no way responsible for these tragedies. It was the vilest calumny on Priloff's part, she said, to suggest in his testimony that she was the cause of these acts.

This led to a scene in the court room. The prosecutor said that according to their information the Countess had said Stahl committed suicide because she had rejected his love. The Countess angrily contradicted.

Manager Harrison of the Exhibition Association stated this morning the twenty teams will be put at work on Monday levelling the grounds at Exhibition Park and would be completed by May 1st. By this time the contracts for the stock buildings and racing stables would be let and the finishing done. Mr. Harrison is confident that rapid progress will be made on the work.

# MONDAY WILL BE THE CRUCIAL DAY

Subscriptions Turned in After 9 o'clock Monday Evening Will be Worthless as Far as Votes are Concerned—Make Every Minute Count.

## THE JUDGES

MR. WM. PURVIS, of Purvis & Co. Ltd.

MR. ALEXANDER E. LUDWIG, Manager Acme Co. Limited.

MR. ROBERT GOLDSCHMIDT, Manager Hudson's Bay Co.

MR. J. F. McMILLAN, Manager Royal Bank.

MR. H. LLOYD-YOUNG, Manager Campbell Furniture Co.

MR. E. J. HART, Manager "The Boston Clothing Store."

The above committee of well-known men will be the judges of the entire count and will award the prizes. The awards will be made exclusively by the committee. They will be sole and final judges.

The count will be held at the Daily Capital office.

Candidates and their friends are invited to be present.

The summing up will commence immediately after the close of the contest—9 p.m.

The final count will be made at the Capital office on Howard street. Subscriptions will be received until nine o'clock in the evening (not morning—remember that), after which the ballot box, etc., will be taken to the Capital office, and the counting commence at once.

Outside district candidates should phone in their subscriptions direct to the Capital office, stating the amount of subscriptions and the number of

votes. This report will be compared with the mail the next day, and should tally to a dot. This telephone report will be accepted and counted—regular certificates, clubs and all will be allowed. This gives all candidates the opportunity to work until the last minute.

Don't fail to have all your votes in the ballot box before 9 o'clock on Monday evening. This includes club ballots of all kinds, as well as the regular certificates. While the score in the paper today is practically correct, all the votes held in reserve and those already voted will be recounted, a Burroughs adding machine being used, operated by an expert.

With one more working day (after this evening) to go, the contestants are straining every nerve and using all their grey matter in an effort to out-general the other candidates and clean up all the promises before the strike of nine o'clock Monday evening.

You know that everyone is making a final effort to land among the winners, so see to it that the last day's effort is of the kind that counts for something.

## Question of Votes

It will be simply a question of who has the most votes. The judges are men of system and ability, and will handle the question in an accurate and business-like manner, and in all likelihood the final result will be announced before eleven o'clock.

"How many votes is it going to take to win the first grand prize?" is a question that has been asked by a good many people within the past

few days. "No one can tell," has been the contest man's answer to all. And that is the plain truth. It will be impossible for anyone to more than guess the probable high vote with the system adopted for closing the big event.

Every candidate is privileged to place all their collections for subscriptions in a sealed envelope, along with the votes held in reserve, and in this way even keep the contest department in the dark regarding your real strength. This is absolutely fair to all. Be sure that you have enough. There is no telling how many your opponent may have.

**How Many Votes Will You Need?** How many votes do you think you will need? Figure it out, and then go get them. That's the way to win. Get all you can, and bring them to the Contest Department before 9 o'clock Monday evening and place them in the ballot box. DON'T TELL ANYONE. HOW MUCH YOU HAVE. Let the judges be the first to find out.

A great many people think they can pick the winners. Many candidates feel sure of winning. Many of both classes will be surprised when the final count is made.

A contest is like an election. It is never over till the last minute, and no one can tell anything about who will win until the count is made by the judges and they have announced the names of the winners.

Once more, at the risk of appearing tiresome, the contest manager wants to impress upon the minds of all concerned that all ballots MUST be in the ballot box at the contest department when the clock strikes nine Monday evening.

## "OLIVET TO CALVARY"

"Olivet to Calvary," a sacred cantata, was sung at All Saints' Church by the choir of the church last night. It is an interesting musical event and one well in keeping with the religious significance of the day. The cantata is the work of J. H. Mauder, one of the school of English composers which has done so much to enrich the musical services of the Anglican church. He excels in choral writing of an ecclesiastical nature and the cantata sung last night is well in keeping with his other work. It is simple in form but instinct with religious feeling and rich in dramatic effects which are obtained without any theatrical methods and are set in subdued colors well suited to the place in which the cantata is intended to be sung.

The rendition of the work by the choir under the leadership of Mr. Barford, the organist, was very satisfactory. The soloists all possessed pleasing voices and sang with a proper appreciation of the nature of the work. They were: Miss Pinckston, soprano; Miss Mahon, contralto; Mr. Landsdowne, baritone; Mr. Turner, tenor and Mr. Griffiths, bass.

## Mounted Policeman Arrested.

Regina, March 26.—A member of the R.N.W.M.P. whose name at present is withheld by the authorities, has been arrested on the charge of passing worthless cheques.

## Unexpectedly True.

The clever young man was wandering in and down the platform of the railroad station, intent on finding an empty carriage in the express, which was almost due to start, says a writer in *Ti-Bits*. But in vain. Assuming an official air, he stalked up to the last carriage and cried in a stentorian voice: "All change here! This carriage isn't going!" There were exclamations low but deep from the occupants of the crowded compartment, but nevertheless they hurried out of the carriage and packed themselves away in other parts of the train. The smile on the face of the young man was childlike as he settled himself comfortably when they had vacated.

"Ah," he murmured, "it's a grand thing for me that I was born clever! I wish they'd hurry up and start!"

By and by the station master put his head in the window and said:

"I suppose you are the smart young man who told the people this carriage wasn't going?"

"Yes," said the clever one, and he smiled.

"Well," said the station master, with a grin, "it isn't. The porter heard you telling the people, and so he uncoupled it. He thought you were a director!"

## No Long Hat Pins in Chicago

Chicago, March 26.—It is a misdemeanor for a woman to wear a long

hatpin at public places in Chicago. Any woman caught wearing one is liable to arrest and a fine of \$50. After months of discussion the city council by a vote of 68 to 2 passed an anti-hatpin ordinance. It was passed in spite of many hisses and "boos" from the gallery, where a crowd of women had gathered to protest against the measure on the ground that the city had no right to attempt to regulate women's wearing apparel and that long hatpins at night often formed a woman's only weapon of defence. The ordinance decrees that no person "while on public streets or in any street or elevated car, public elevator or other public place shall wear any hatpin the exposed point whereof shall protrude more than one-half inch beyond the crown of hat, upon, in or through which such pin is worn."

## Italian Won Marathon.

Winnipeg, March 25.—Dorando Pietre won the 15-mile race at the Arena rink in 1:27:37½. John D. Marsh, of Winnipeg, was second half a lap behind; St. Yves, French champion, third four laps behind the leader. The race was won on its merits. Marsh getting the inside track led up to the tenth miles, when Dorando led for a couple of miles. Marsh took the lead on the thirteenth mile, but Dorando, regaining it, gradually drew away from the veteran, finishing with a half lap to the good.

## A CAR LOAD OF SETTLERS

The Tofield Standard says: The forefront of the tide of immigration for 1910 has already struck Tofield. Last Monday a special passenger coach almost filled with new settlers for the Tofield district arrived on the transcontinental from Nebraska via Winnipeg and St. Paul. These included: Peter Reil, wife and family, of seven; V. L. Roth, wife and family of three; Katie Bender and family of three; J. L. Stauffer, wife and family of six; J. R. Stauffer. All of the above were from Seward county, Nebraska. J. J. Lanher, Elmer Maures, Joe Stauffer all of Fillmore county, Nebraska.

Preceding these by some days there were several who accompanied their five cars of horses, farming implements and settler's effects. The company brought with them twenty-five head of excellent horses and a full complement of farming machinery. They were eight days on the rail en route to Tofield. Mr. Reil informs the Standard that they left a large number of friends behind them in Nebraska who are watching their progress here and how they feel about their new venture in the land of their adoption. They are amazed at the fine weather which we are enjoying here so far north of their native state. They little imagined that in the early part of March they would find the snow all gone, the sun strong, the frost nearly all out, days warm as summer time and the farmers just about to start spring seeding operations. One of their first experiences was to come through a prairie fire which was raging a few miles out from Tofield last Tuesday. Mr. Reil is renting Mr. H. K. Adams' place for a short time till he gets located. Most of the party are locating a few miles south-east of Tofield in the Bardo section of the district where they have purchased several sections of land. Another large party will shortly follow if the present newcomers like the country as they are sure to do.

## CONGREGATIONALISTS IN CALGARY

Montreal Witness: In Calgary, a promising movement is on foot for the organization of a Congregational Church. Some of the men interested are Mr. Ernest Owens, recently gone there from Montreal to represent the Sun Life Assurance Company; Mr. Winslow, Mr. Winross and Mr. Pedley from Woodstock. Only two Sunday meetings have yet been held, but at the second meeting a week ago there were ninety-two present. They are already in communication with the Rev. Mr. Weeks, of Winnipeg, the organizer for Congregational churches of the Northwest, asking him to act as their pastor for three months by which time they have strong hopes of being in good working order, and able to call a permanent pastor. Mrs. Owens, who has been called to Montreal by the illness of her mother, Mrs. T. B. Macanlay, says Calgary is decidedly a church-going city. You have to get a church early, she says, if you want to get a seat, and there are really more people than the present buildings can accommodate.

## SUNDAY SCHOOL ASSOCIATION

Delegates from Stettler, Lacombe and Red Deer district were present at the Central Alberta Sunday School Association convention which was held in the Methodist Church at Innisfail last week. The following officers were appointed for the ensuing year: President—Rev. A. Barner, Red Deer.

First vice president—Mr. F. Plank, Red Deer.

Second vice president—Mrs. T. Powell, Lacombe.

Third vice president—Miss C. Ward, Innisfail.

Fourth vice president—Miss Ida Burns, Stettler.

Fifth vice president—Mrs. G. Henderson, Red Deer.

Secretary-treasurer—Rev. Thos. Powell, Lacombe.

Representatives on conference league executive—Rev. Jos. Woods, Stettler, B.A., Stettler. These, with the district Sunday school secretaries, formed the executive.

A hearty vote of thanks was moved to the pastor and Innisfail people for their generous hospitality.
